

## Indian Nanoelectronics Users' Programme - Idea to Innovation

**Supporting startups/MSMEs'  
with access to state-of-the-art facilities**

**CeNSE, IISc, Bengaluru** invites applications from already incubated Startups/ MSMEs that require micro/ nanofabrication and characterization facilities. This initiative is part of Indian Nanoelectronics Users Programme - Idea to Innovation (INUP-i2i) supported by Ministry of Electronics and Information Technology, Government of India.
